Yearbook Update – May 14, 2024

Good morning Sahuaro Students & Families:

We received an important update this morning regarding our yearbooks. They are scheduled to ship on May 18th and are guaranteed to arrive on or before Friday, May 24th. We will provide further details about the distribution plan and a possible evening signing event as soon as we have more information. We appreciate your patience and understanding.

Thank you.

Roberto Estrella

Principal
