Sahuaro Update February 5, 2024

Good Evening Sahuaro Students & Families:

**National Counselor Appreciation Week**

This week, we are celebrating National Counselor Appreciation Week. We want to take this opportunity to express our heartfelt gratitude to our dedicated, compassionate counseling team for their efforts in supporting our students on a daily basis. Thank you for making a significant difference in their lives and our campus.

**Robotics Team**

Last weekend at Desert Ridge High School in Mesa, Sahuaro's robotics teams competed with 40 of the best teams in the state of Arizona. One of our robotics teams won the prestigious and competitive Judges Award! This award was based on their interview, positive teamwork, and the quality of their engineering notebook. This team represents the positive spirit of Vex Robotics. We are very proud of our team 92610D! They will be competing again at Sahuaro High School on February 17<sup>th</sup> in McConnell Gym for the last tournament of the year. We hope to see the community at our next event! Go Cougars!

**Cougar Wrestlers**

Congratulations to Karlie Schneider and Lilian Vakatawa for qualifying for the State Wrestling Tournament this weekend. Both Lady Cougars placed 2<sup>nd</sup> at Sectionals!

**Sahuaro Guitar Orchestra**

Our Guitar Orchestra continues to receive honors. This time our students were recognized for their performance last weekend at the 2024 Arizona Music Educators Association Conference. We are proud of the hard work of every student in the ensemble and are grateful for Mr. Hemmo's leadership. Their next performance will be on Saturday, February 17 at Sahuaro High School.

**One On One Tutoring**

This semester we are offering specific skill-based tutoring for students twice a week, Mondays and Wednesdays after school for an hour. Families will need to sign the students up for this program. They must commit to the tutoring sessions for the semester. This is not a drop-in situation. They will be able to get help with schoolwork and homework, but they will also be focusing on skills needed to be successful in specific classes. We are taking sign-ups now! Attached is a flier that explains the tutoring in more detail.

**Parent Teacher Conferences**

Please remember that we have Parent-Teacher Conferences this week, Wednesday, February 7, 6:00-8:00 pm. Families can meet with their students' teachers directly in the classrooms.

**Half Day Friday**

We have our half-day scheduled for this Friday, February 9. School is dismissed at 12:17pm. There is no lunch service and no Periods 0 and 7.

Thank you,

Roberto A. Estrella, Principal

**Sahuaro High School Presents.....**

# **Skill Base Tutoring Available**

**We're very excited to announce that your student is eligible for  
FREE skill based tutoring!**

Here are the details!

## **Tutoring Session Mondays and Wednesdays**

Come twice a week to receive individualized tutoring from trained professionals.

**Mondays**

**3:30-4:30**

**Wednesdays**

**2:30-3:30**

Tutoring is provided by 1 to 1 Tutoring Company. Their programs help students build content mastery and develop the skills needed for success within and beyond the classroom. Tutors are highly qualified and trained in content areas that are essential to meeting your students' needs. All programs are aligned to measurable goals, driven by data, and tracked to facilitate consistent growth.

**Interested???**

**If you are interested in signing up please  
email or call Mrs. Colleen Bradley
