

Good Evening Sahuaro Students and Families,

We are thrilled to finally get the school year started and wanted to provide you with some quick updates and reminders:

Yearbook & ID Photos Next Week

Next week we will be taking photos for our yearbook and school IDs. Except for our Seniors. Seniors these photos will be for your IDs only. Students can verify with their English teacher to determine their scheduled day. All students will be required to wear their school IDs while at school every day once these have been issued. We will start our schoolwide checks/enforcement on Monday, August 14.

Senior Yearbook Pictures

Seniors the deadline to take your Senior picture for the yearbook is closer than you think. If you have made an appointment yet, please schedule with Silhouette Photography as soon as possible.

School Devices

We will be issuing our students their school devices next week as well. This is required. Students will be required to bring their fully charged laptops with them to school every day, along with their chargers and case. Students must have their signed Laptop Loan Authorization Form signed in order to receive their device.

Class Assemblies

We will be hosting our Class Assemblies next Monday and Tuesday. We will be outlining our school's focus on increasing our expectations for our student conduct, learning, and performance. We will also be reviewing our District's new Code of Conduct, how they can access academic and social-emotional supports on campus, and other upcoming events. We will begin our high enforcement of our tardy and roaming policies starting next Wednesday.

Open House

Open House is scheduled for Wednesday, August 16 from 6:00-8:00 pm. We will first have family 20-25 minutes presentation in our auditorium to revisit our school's focus, our District's Code of Conduct and our plans as an emerging Title I school. At 6:30, students and families can visit teachers in their classrooms.
