

Sahuaro HS Newsletter October 2024

We extend our heartfelt thanks to Mrs. Trujillo and our Student Council for their dedication and effort in organizing a successful Homecoming Week. Managing the tailgate, assembly, and dance within a short timeframe requires significant planning and commitment. We deeply appreciate your contributions to our school community.

Here are some quick updates:

At Sahuaro we consider it an honor to have the opportunity to invest in your student's future. Each year we seek your input on how we as a community can better provide for the needs of our families. Would you mind taking a few minutes to complete the attached survey? Your responses will be anonymous, and we will use your input to identify our strengths and to develop ways to better serve our families.

Fall Family Survey

Here is what families can expect:

- **Interactive Workshops:** Collaborate with others and learn about ways to support your student's academic success.
- **AVID:** Learn about the AVID program and strategies that will help your student succeed
- **Guest Speakers:** Hear from educators and school leaders
- **Resource Fair:** Discover school programs and resources available for students and families
- **Fun Activities**

Costumes Guidelines Halloween is coming up on Thursday. Please remember students are permitted to wear costumes. No masks, excessive gore, or simulated weapons

Avoid the Camino Seco Bus Bay We are starting to see an increase of cars picking up students in the bus bay. Please remember that this is not a permitted student pick up zone and makes it unsafe for our buses to safely do their job.

Thank you,

Roberto A. Estrella, Principal
