## Sahuaro Update January 11, 2023

Dear Students and Families:

Happy New Year! As we enter our second semester, I would like to welcome each and every one of you back to school. I hope the break was a time of rest and relaxation for all of you, and that you were able to spend quality time with your families. We are determined to continue to support each other. We will continue our efforts to Recover, Connect, and Grow. We are dedicated to helping our students recover both academically and emotionally to make sure that they are prepared to succeed in the future. We will also continue to focus on connecting with our families to ensure that we are meeting the needs of all of our students. Finally, we will strive to promote growth in our students by fostering an environment of growth, mindset, and collaboration. We understand that this school year has been unique and challenging, and we are confident that, together, we can continue to work to ensure a successful and productive school year. Thank you for your ongoing support and commitment to our students.

Respectfully,

Roberto A. Estrella, Principal
