Sahuaro Update July 19, 2022

Good Evening, Sahuaro Students and Families:

Thank you to the seniors and families who completed their device pick up over these last two days. Juniors will start this process tomorrow. Please remember we will have make-up days next Thursday, July 28 (3:00-7:00 pm) and Friday, July 29 (8:00-Noon) in the Finance Office. Here are a few items I wanted to clarify:

1. These are the same device pick-up dates and times for our students in our District's TUVA program.
2. Please use the east entrance of the auditorium, adjacent to the faculty parking lot and near the administration building.
3. As a 1:1 school, all students will be required to have a school-issued device. This will give every student the same access and capability to the learning, testing, and other important application tools essential to our students learning experiences.

Thank you,

Roberto A. Estrella, Principal
