Sahuaro Update March 27, 2022

Good Evening Sahuaro Students and Families:

We have a busy month ahead of us, so here are some items to share with you.

New District Mask Policy

On Monday, March 28, our District's new make policy begins. The guidelines are determined by the Community COVID Level. This week the community level is "LOW," so masks will be supported, but optional on campus. We will notify students and families should the level change in the future.

Senior Family Meeting

We are now starting to have a clearer idea of the guidelines we will be following for graduation this year. On Wednesday, April 6 we will be hosting a meeting to share the latest known details. The meeting starts at 6:00 pm via Zoom. Please remember that our ceremony is on Wednesday, May 25 at 7:30 pm at our stadium. (The procession starts at 7:10).

Bus Bay

Please remember families cannot use the Camino Seco bus bay for student pick up or drop off. This creates a dangerous situation for our community traffic and students. Thank you to the vast majority of our families who are following this rule. Also, students for obvious safety reasons only use the crosswalks when crossing Camino Seco before and after school. Again, thank you to the vast majority of our students who follow this rule.

Expect Limited Parking on Tuesday

On Tuesday, March 29, we host our Elementary Regional Track meet. We typically host this event annually and are excited to have it return to our campus. The biggest impact will be on parking. Please plan to arrive earlier than usual to find a place to park. Students, please avoid using the church parking lot to the North.

No School on Thursday

Please remember there will be no school on Thursday, March 31. Our faculty and staff will be participating in our District's final Professional Learning Day of the year.

Also, please remember that there will be no school on Friday, April 15 for our District Spring Holiday.

State Testing

We will be administering four major assessments in April. There will be a special bell schedule for each of these testing days. All exams will be taken online on campus and start promptly at 8:30 am.

Please note that the ACT Aspire exam will be taken over two days.
